

IF IT'S RAINING

SONG

Here is a song that is great
for your sing-along at parties or around the campfire.

Sing to the melody of
"If You're Happy and You Know It."

If it's raining and you know it, clap your hands. (Clap hands twice)

If it's raining and you know it clap your hands.

If it's raining and you know it then your clothes will surely show it.

If it's raining and you know it clap your hands.

If the mud is only knee deep, stamp your feet. (Stamp feet twice)

If the mud is only knee deep, stamp your feet.

If the mud is only knee deep, and you wish that it were hip deep,

If the mud is only knee deep, stamp your feet.

If mosquitoes are attacking, scratch your head. (Scratch head)

If mosquitoes are attacking, scratch your head.

If mosquitoes are attacking, and you want to send them packing,

If mosquitoes are attacking, scratch your head.

If the wind is really blowing, shake your head. (Shake head)

If the wind is really blowing, shake your head.

If the wind is really blowing, and your hairline starts a-showing,

If the wind is really blowing, shake your head.

If the temperature is falling, rub your hands. (Rub hands together)

If the temperature is falling, rub your hands.

If the temperature is falling, and your spirits are appalling,

If the temperature is falling, rub your hands.

It's raining,
The old man is snoring
He went to bed and he
Bumped his head
And he couldn't get up in the
morning.

JACK AND JILL

Jack and Jill
went up the hill
To fetch a pail of water.

Jack fell down and broke his crown,

And Jill came tumbling after.

RUB A DUB DUB

Rub a dub dub,
Three men in a tub.
And who do you
Think they be?
A butcher, a baker,
A candlestick maker,
And they all
Went out to sea.
